

Your LP data demands decoded

In this episode of the Alternative Insight podcast, we discuss how investor data demands have evolved over time, and how they could change going forwards. We also consider how data can be used to drive investment decision making, and how important standardisation is to private markets participants looking to harness the power of data in their business.

This episode features:

- Host: Jon Ball, Client Development Director - Aztec Group
- Paolo Alonzi, Board Member - AREF
- Martin Bresson, Public Affairs Director - Invest Europe
- Simon Robinson, Head of Portfolio Management - M&G Alternatives
