

Aztec Group to exhibit at LPGP CFO/COO Private Debt Forum

Next Wednesday, 19 June, we'll be exhibiting at the LPGP CFO/COO Private Debt Forum in London. With over 150 CFOs and COOs due to attend, the day will explore their complex role in managing private debt funds.

Featuring 40+ speakers and eight different panel sessions, the conference aims to examine back-office and daily operations including fund administration, operational leverage and the role of technology in managing funds. This will look closely at how investment groups can adapt to the ever-challenging needs of the market place and excel in delivering operational excellence.

Starting at 8.30am, the LPGP CFO/COO Private Debt Forum will take place at Marriott Hotel Grosvenor Square, London. To see the full agenda, please visit the LPGP Connect website [here](#).
