

Back-to-back 'Fund Administrator of the Year' success for the Aztec Group

We are proud to announce that the Aztec Group has been crowned 'Fund Administrator of the Year' at the Unquote British Private Equity Awards, following hot on the heels of our win at The Drawdown Awards earlier this month.

The Unquote British Private Equity Awards celebrate innovation and excellence in private equity and venture capital, and the industry's contribution to British business growth. Winners have been announced across 20 categories and chosen through an independent judging process that combines the views of industry veterans with public votes.

Matt Horton, our Group Head of Private Equity, commented on the award win: "To win not just one, but two, back to back awards is confirmation that our focus on client service and the delivery of our organic strategy for growth pays dividends. Our team has worked tirelessly this last year to deliver the outstanding level of service our clients know and expect, and I'm incredibly proud of each and every one of them. Congratulations to all and thank you once again to our clients for their support."

We've won the award a total of nine times, including the last seven years in succession.
