

SPACs: Is Europe really the next big market?

[Register here](#) to secure your place.

Following the meteoric rise of SPACs in the US, all eyes are now on Europe. Will history repeat itself or does the fact that only \$1.3bn was raised across 2020 and 2021 to date, compared to over \$300bn in the US, suggest a different trajectory for SPACs in Europe?

Join our panel of leading specialists from SoftBank, KPMG and Carey Olsen for a lively and insightful debate covering:

- **SPACs and the journey so far:** The origins of SPACs – what are they, how do they work and who do they appeal to? What's driven the success in the US market?
- **What now for Europe:** Are we set for a SPAC boom in Europe or can we expect a more muted response? What factors will shape the destiny of SPACs in Europe?
