**We're delighted to announce that the Aztec Group has won Fund Administrator of the Year at the British Private Equity Awards for the fifth successive year.**

Hosted by Unquote, the British Private Equity Awards celebrates innovation and excellence in private equity and venture capital, and the industry's contribution to British business growth. Now in its fifteenth year, the awards were attended by over 350 fund managers, advisors and other industry professionals.

There were winners across 20 categories, chosen through an independent judging process that combined the views of an industry veteran panel with 16,000 public votes.

The Group has now won the award a total of eight times, including the last five years in succession. We were also named Administrator of the Year at The Private Equity Awards in February, making it a double success for 2019.
