

# **We've been shortlisted for the AREF Affiliate of the Year Award**

Hosted annually, the awards recognise the contribution member firms and others make to support the work of the association. The Affiliate of the Year award is presented to the affiliate member firm that has provided invaluable support to AREF throughout the previous year, from undertaking significant activity in a principal focus area to hosting key events and making a long-term contribution to the association's work.

This year's awards will be presented virtually on 11 December, with the winners determined by the AREF Management Committee, the Chairs of specialist committees and working groups, and from the AREF Secretariat.

Commenting on our award nomination, Paul Conroy, Group Head of Real Assets, said:

"We're thrilled to have been shortlisted for this award, recognising the contribution we've made to the Association of Real Estate Funds and our team's achievements across the wider real estate sector. We're immensely proud of our partnership with AREF and are committed to building on our positive relationship in the future."
