

Roundtable: ESG metrics in real estate

In this episode of our Alternative Insight podcast series, we focus on proposals submitted to the Financial Conduct Authority on the introduction of ESG metrics for real estate.

The proposals were submitted in April 2022 by AREF and INREV and various other real-estate related associations, as a direct response to a request from the FCA for input on the development of real estate-specific metrics.

Roundtable participants:

- Host: Ed Bellew, Director of Real Assets – Aztec Group
- Bahar Yay Celik – INREV
- Oliver Light – Carbon Intelligence / AREF
