

Future Operating Models: from outsourcing to partnership

How are fund managers adapting their operating models amid evolving market conditions? In the latest episode of the Alternative Insight podcast, our host [Ore Adegbotolu](#) is joined by Andrew Muscat, Global Head of Finance and Accounting at Lasalle Investment Management, to speak with him about his experiences and advice on establishing the right operating model for your business.

During this episode they discuss:

- What the key considerations are when implementing any changes to your operating model.
- How changes in the marketplace have impacted finance and back-office operations.
- The pros and cons of co-sourcing.
- How your choice of an outsourcing partner can impact investor decisions.
- How to address the increased need for better data.
