

Investing in Infrastructure in times of uncertainty

In this episode of Alternative Insight, we discuss the benefits of investing in infrastructure assets during times of uncertainty.

Donna Gumbleton, our Head of Real Assets in the UK, is joined by Isela Bahena, Managing Director, Infrastructure Investments from [Nuveen](#), and Jordi Francesch, Head of Asset Management and Chief Risk Officer from [Glennmont Partners](#) – two huge names in private infrastructure investing, for what is a fascinating discussion on this growing asset class.

In this conversation, Donna, Isela and Jordi explore:

- The definitions of, and differences between, private and public infrastructure;
- The effects of current market conditions on investment allocations;
- Private infrastructure as an alternative to other asset classes;
- Their firms' investment decisions and innovations;
- The trends and opportunities for the future of infrastructure; and
- Investment strategies being deployed across equity and debt.
