Private markets rewired: What's next for AI? (Part 1)

Nearly 70% of private funds CFOs say they are piloting or actively implementing AI, yet only 2% believe it is fully embedded.

This headline finding from our 2026 Private Funds CFO Insights Survey highlights both strong momentum and significant execution challenges across the industry.

In this episode of Alternative Insight, 'Part 1 – Private markets rewired: What's next for AI?', Aztec's Head of Process and Optimisation, Paul White, is joined by Adam Hofmann, AI Transformation Partner at Elixxir; Henrik Ceder, Chief Digital Office at Norvestor; and Aztec's Director of Data, Will Relf, to examine how private markets firms are approaching AI today.

During this episode they discuss:

- How regulation is influencing AI adoption
- Why firms are implementing AI at different speeds
- The different types of AI being used across organizations
- How managers can prioritize implementation for meaningful business outcomes.
