

Scale and efficiency for institutional fund managers

In this episode of Alternative Insight, Aztec Group's [Jon Ball](#), Head of Global Accounts, is joined by **Melanie Collett**, Head of Investment Implementation and Real Assets at Aviva Investors, and **David Kane**, Managing Director at Alvarez & Marsal, to explore how institutional managers can achieve operational alignment and excellence across multiple strategies and jurisdictions. The discussion focuses on driving scale and efficiency through technology and evolving operating models.

During this episode they discuss:

- Why technology alone doesn't create value
- The need to evolve operating models and servicing partnerships over time
- How to deliver a seamless, consistent experience for investors across asset classes, jurisdictions, and currencies
