Women in Leadership – Breaking barriers in the financial sector: Part 2

‘ We *must break [barriers], jump over them, or go under them, what matters is we get to the other side*,’ says Hind El Gaidi, Head of Luxembourg at ICG, during the second episode of our two-part podcast series, Women in Leadership – Breaking barriers in the financial sector.

This episode includes extracts recorded at an exclusive event at The British Ambassador’s Residence in Luxembourg where Eva Devine, Aztec Group’s Head of Depositary continues the discussion with Anne-Sophie Minaldo, Forensic Lead at KPMG, Hind El Gaidi, Head of Luxembourg at ICG, and Barbara Leveel, Director General, Human Resources at European Investment Bank.

During this episode, they discuss:

- How women can harness their superpower – their identity – to meet challenges.
- How private markets can contribute to gender parity by making choices beyond ticking boxes.
- What workplace policies have the biggest impact in supporting women to reach leadership positions.
