

Aztec Group sponsors LPEA Insights Conference 2025

We're delighted to be sponsoring the [LPEA Insights Conference Luxembourg 2025](#).

Taking place on October 23 at Luxexpo Hall, the conference hosts over 900 participants, bringing together GPs and LPs from around the world and creating a bumper networking event for all Private Equity and Venture Capital practitioners.

The conference will cover the latest innovations shaping Private Equity and Venture Capital and will delve into the cutting-edge tools and digital solutions driving efficiency, transparency, and growth in private markets.

Aztec's very own [Ore Adegbotolu](#), Head of Commercial, U.S., will be speaking on a panel titled "Outlook on the U.S market", joined by Matthew A. Goldblatt, Head of Securities Services Sales at JP Morgan and Elaine Hughes, Partner, US Co-Head of Funds & Asset Management of A&O Shearman.

We have a number of representatives attending the event, if you'd like to set up a meeting, please contact us below.
