

Aztec Group crowned Fund Administrator of the Year

We're delighted to announce that we've been crowned a winner at The Drawdown Awards in the *Fund Administration: Over \$50bn (total assets under administration) category*.

The winners were announced at an awards ceremony in London last night after a rigorous judging process, which was based on the views of a panel of leading private capital fund professionals.

The Drawdown awards celebrate excellence and innovation within private capital fund operations. The service provider categories celebrate suppliers and vendors that have demonstrated expertise and top-class client services standards in their provision of services and advice to the private equity fund community.

Matt Horton, our Group Head of Private Equity, commented on the award win: "I'm so proud of each and every member of the team for achieving this award. It's been a challenging, but ultimately very busy, year and it's thanks to the hard work and dedication of our people that we were able to continue to provide a market leading level of service to our clients. I'd like to thank our team, and our clients for their continued support and confidence in us. Well done everyone."
