

Aztec Group crowned Fund Administrator of the Year

We are delighted to share that Aztec Group has once again been named 'Fund Administrator of the Year' at the Real Deals Private Equity Awards.

Winners were announced at an awards ceremony in London last night after a rigorous judging process, based on the views of a panel of leading private equity professionals.

There were seven fund administrators on the shortlist, and feedback from the judges noted that Aztec's win reflected our demonstrable focus on evolving our technology offering to align with changing client needs.

[Matt Horton](#), Group Head of Private Equity, said: "As we reflect on another remarkable year of growth, this recognition stands as tribute to the exceptional efforts of our teams, who consistently go above and beyond to deliver the highest standard of service to our clients.

"In the last 12 months we've opened our second office in the U.S., launched our operations in Ireland and grown our teams significantly across all locations. We've also invested heavily in technology, particularly in the areas of data and analytics.

"I'm so proud of our people for their collective hard work and to see that Aztec continues to set the benchmark for excellence as a premium provider of private market asset services. To our clients and business partners - thank you for continuing to place your trust in us and for making our success possible."

Since our inception in 2001, Aztec Group has grown significantly, now administering over 450 funds, 4,500+ entities, and overseeing more than €600 billion in assets. Our dedicated team of more than 2000 professionals spans six strategic jurisdictions, each contributing to our collective success.
