

Aztec Group named Fund Administrator of the Year for the sixth successive year!

We're delighted to announce that we've won Fund Administrator of the Year at the British Private Equity Awards for the ninth time.

Unquote British Private Equity Awards celebrates innovation and excellence in private equity and venture capital, and the industry's contribution to British business growth. Winners have been announced across 20 categories and chosen through an independent judging process that combines the views of industry veterans with public votes.

We've won the award a total of nine times, including the last six years in succession. This breaks our own record for the most awards ever won by a single firm!

Matt Horton, Group Head of Private Equity, said:

"To retain this highly prestigious award year-on-year speaks volumes about the Group's dedication to our clients and commitment to continuous investment in our operations and the development of our people. Many thanks to our clients and everyone else who voted for us and, above all, our outstanding team for this incredible achievement."
