

Aztec Group supports €2 billion close of GHO Capital III LP

We've supported GHO Capital (Global Healthcare Opportunities) with the fundraising activities and final close of its latest fund, GHO Capital III LP (Fund III).

The significantly oversubscribed fund closed within four months of entering the market, with over €2 billion of capital available to invest. Fund III saw strong support from both existing and new investors.

GHO Capital Partners is a leading specialist healthcare investment advisor based in London, with a focus on identifying attractive healthcare subsectors and building businesses of strategic global value.

Aztec Group supported with the establishment of Fund III and will continue to provide ongoing administration and accounting services from our Jersey office. Specialising in alternative investments, the Group employs more than 1,100 people globally and administers over €440 billion in assets, 450 funds and 4,500 entities for a range of clients.

Reshenthia Beeby, Director at the Aztec Group, said: "Congratulations to GHO Capital on such a successful final close of Fund III. The fund's broad appeal to both existing and new investors is testament to GHO's track record and reflects the growing global need for better, faster and more accessible healthcare. We're proud to support GHO Capital with the establishment of this latest fund and look forward to further strengthening our excellent partnership."

Responsible investment and consideration of ESG factors continue to underpin GHO's purpose driven strategy, which considers social and environmental impact criteria such as improving access to healthcare.
