

Aztec Group maintains leading position in Jersey's fund industry for ninth consecutive year

Aztec Group is proud to announce that it has once again been recognised as the leading fund administrator and transfer agent in Jersey for the ninth consecutive year. This recognition comes from the latest Monterey Insight report, which highlights the continued growth and resilience of Jersey's fund industry.

The report shows a 6.1% increase in fund assets in US Dollars, reaching \$629.4 billion, and a 6.7% increase in GBP, reaching £497.9 billion. Additionally, the total number of serviced funds increased by 3.9%, reaching 1,956, and the total number of serviced sub-funds increased by 2.2%, reaching 2,443.

Aztec Group's sustained leadership in the industry is a testament to the exceptional service and unwavering commitment of its teams in delivering an outstanding client experience.

Simon King, Aztec Group - Head of Jersey, said: "We are delighted to witness the remarkable growth of Jersey's funds industry, as highlighted in the latest Monterey Insight report. The significant increase in fund assets underscores Jersey's position as a leading financial centre. At Aztec Group, we are proud to play a pivotal role in this success, maintaining our leadership in fund administration and transfer agent services for the ninth consecutive year. This achievement is a testament to the dedication and excellence of our teams, and we are deeply grateful to our clients for their trust and support. We look forward to continuing to contribute to the ongoing success and innovation within Jersey's thriving funds industry."

The recognition follows hot on the heels of the Group's recognition in Guernsey, where it has achieved the number one position as the leading administrator for overall market share by assets in the recently published Monterey Insight Guernsey Fund Report 2024.
