

Double success! Aztec Group wins back-to-back ‘Fund Administrator of the Year’ awards

We are proud to announce that the Aztec Group has been crowned ‘Fund Administrator of the Year’ at the Real Deals Private Equity Awards, for the second successive year. We scooped the same accolade at the Unquote British Private Equity Awards earlier this month.

Now in their 19th year, The Private Equity Awards are one of the longest running and most prestigious private equity awards in Europe.

The Real Deals Fund Administrator of the Year award recognises overall excellence in fund administration. Nominees were assessed on their ability to provide clients with fast, accurate reporting and analysis, and in demonstrating an in-depth understanding of the rapidly-changing regulatory environment. The award also recognises the enhancement of service delivery through investment in, and the deployment of, technology.

Established in 2001, the Aztec Group administers more than 440 funds, 4,500 entities and €370 billion of assets, and employs more than 950 people across five jurisdictions.

Matt Horton, Group Head of Private Equity, said:

“We are thrilled to have won another prestigious award in 2020. It has been an exceptional year for us, and this award reflects the outstanding contribution of teams, who have committed to delivering the highest levels of client service every single day. All of us have had to dig deep over the past 12 months, and this makes our hard work - and our determination to be the leading service provider in the alternative investment space - all the more worthwhile.”
