

Aztec Group appoints Richard Anthony as Global Head of Real Assets

Aztec Group, a premium provider of private markets services, today announced the appointment of [Richard Anthony](#) as Global Head of Real Assets. The appointment further strengthens Aztec's leadership as demand for specialist real assets servicing continues to grow globally.

Previously Interim Head of Real Assets, Richard has played a central role in shaping and strengthening Aztec's real assets platform, providing clear, focused leadership and building momentum across the business. His appointment reflects Aztec's continued investment in experienced, values-led leaders as the firm scales globally.

Richard will lead Aztec Group's global real assets strategy, overseeing service delivery across infrastructure, real estate and other real asset strategies. He will work closely with client-facing teams, operations and product colleagues across Europe and the U.S. to ensure Aztec continues to deliver consistent, high-quality service for clients at scale.

"Richard's appointment reflects both the depth of talent within Aztec and the importance of strong, values-led leadership as our real assets business continues to grow," said [Akbar Sheriff](#), Chief Client Success Officer and COO at Aztec Group. "He brings clarity, sound judgement and a strong people focus, building trusted relationships across teams and with clients. We are confident he will continue to drive momentum while preserving the culture and service quality that Aztec is known for."

Richard has been with Aztec for 13 years, building experience across private equity, private credit and real assets. Since moving into the real assets team in 2017, he has worked closely with clients and colleagues across jurisdictions, bringing a strong focus on service quality and team collaboration.

"There is a strong belief at Aztec that when people are engaged, supported and empowered, clients see better outcomes," said Richard Anthony. "That mindset is

something I'm passionate about, and I'm excited to continue building our real assets platform to support our clients across increasingly complex strategies and jurisdictions."

Richard's appointment follows a series of strategic leadership hires as Aztec continues to scale its platform globally, including [Jason Adams as Chief Technology Officer](#), [Akbar Sheriff as Chief Client Success Officer](#) and [Maria von Oldenskiöld as Global Head of Investor Services](#).
