

We're delighted to sponsor the 2019 TEDxLuxembourgCity event

We're delighted to sponsor this year's TEDxLuxembourgCity event "Explore, Explain, Excite".

TEDxLuxembourgCity is the regionally hosted version of the popular global [TED](#) conference. This independently produced event, operated under license from TED, will be held at the Philharmonie concert hall in Luxembourg City on 15 June.

In the spirit of 'ideas worth sharing', TEDx is a programme of local, self-organised events that bring people together to share a TED-like experience, sparking deep discussion and exchange, with the aim of changing attitudes, lives and, ultimately, the world.

The event will host an array of inspirational speakers from Luxembourg and beyond from different backgrounds and fields of expertise. Starting at 12:00 midday, the event will be divided into three sessions, lasting until early evening.

Ganash Lokanathen, Director, commented:

"Bright thinking and alternative viewpoints are part of our DNA here at the Aztec Group, so we're delighted to be sponsoring the TEDxLuxembourgCity 2019 conference. We are looking forward to an exciting day of thought-provoking presentations, fascinating discussion and insights, and hope to see many of our clients and friends there."
