

# We're proudly sponsoring the Invest Europe CFO Forum 2023

Taking place between in Nice 1-2 June, Invest Europe CFO Forum is the leading event for CFOs, COOs, senior finance and fund operations executives within the private equity and venture capital market. The forum allows attendees to discuss their current initiatives, challenges and strategic objectives currently emerging within their respective markets. With a programme driven by industry practitioners, the CFO Forum audience is comprised of at least 66% practitioners from across Europe.

Hana Prochaska, Head of Business Development – Europe, will be moderating a panel session called, *'Technology Update: where is the value creation?'*, a hot topic circulating across the private markets industry. Hana will be joined by Maike Haas, Operating Partner and CFO at Magnetic, Juri Pervjakov, Finance and Technology Director at BaltCap and Cornelius Müller, Head of Business Processes and reporting at HQ Capital. The panellists will be looking to discuss:

- Which of the latest technology solutions are bringing the greatest value?
- How is AI impacting private equity and venture capital funds operations?
- What does the future hold and what are the implications for planning today?

To find out more about the two-day forum, please visit Invest Europe's website [here](#).

We have a multiple number of representatives attending the two-day forum. If you'd like to set up a meeting, please contact Hana Prochaska on [hana.prochaska@aztecgroup.eu](mailto:hana.prochaska@aztecgroup.eu).
