

We're proudly sponsoring the LPGP Private Equity and Private Debt Conference

The LPGP Private Equity and Private Debt Conference takes place in London this week on 2-3 November - an event we are proud to be sponsoring.

With over 150 CFOs and COOs due to attend each day, the event promises to bring together senior private equity and private debt professionals to discuss an ever-changing business environment, operational considerations and industry best practices, and how to maximise efficiency in administration and operations.

Peter Brown, Aztec's Head of Luxembourg, will be speaking on 'Talent, diversity, culture and inclusion' at the Private Debt Conference on Thursday 3 November, where he'll be joined by Roger Tomlinson, Regional Director at EMEA - EWM Global, Kevin Early, European CFO & Partner at Ares Management, Tavneet Bakshi, Partner at Signal Capital Partners and Rob Shaw, Partner & CFO at Apera Asset Management.
