

We're sponsoring the BVCA Alternative Lending and Secondaries Forums

On Wednesday 5 February, we'll be exhibiting at the BVCA Alternative Lending and Secondaries Forums in London. The two half-day conferences will bring together key fund managers, investors and advisers to assess the state of the market and the outlook for the future.

The day will begin at 08:30 with the Alternative Lending Forum, which will delve into the current state of the market and key developments in alternative lending. This will be followed by the Secondaries Forum in the afternoon, where the focus will be on GP-led secondaries and the emerging trends for 2020 and beyond.

We've a number of representatives who look forward to seeing you there. If you would like to set up a meeting, please contact our Head of Business Development, James Duffield, on +44 (0) 203 81 80 250 or email james.duffield@aztecgroup.co.uk
