

Best Execution Policy summary

Aztec AIFM Services S.A. ("**Aztec AIFM**") is authorised by the CSSF as a Luxembourg alternative investment fund manager. Given the nature of the alternative investment strategies managed, best execution obligations will generally not apply to Aztec AIFM's activities.

Where an alternative investment fund managed by Aztec AIFM appoints a delegated portfolio manager that trades financial instruments, Aztec AIFM takes reasonable steps to ensure that appropriate best execution arrangements are maintained in accordance with applicable laws and regulations.

Aztec AIFM oversees the application of this policy through its governance framework, including Board approval, Compliance monitoring and Portfolio Management oversight.
